GALA PERFORMANCE OF BALLET AND MUSIC

AURORA's WEDDING- SLEEPING BEAUTY ACT 3
Chopin Variations, Songs from Gershwin's Porgy & Bess
Cinderella in Hollywood pas de deux

Churchill Theatre Bromley Sunday 19th June 2022

The London Borough of Bromley in their aims to further the arts and their appreciation within the borough have invited English Youth Ballet to contribute to this special arts initiative. Bromley Council are sponsoring this lovely Gala Evening which involves young dancers from the Bromley Kent area.

We will have two excellent 'live' musicians and two principal dancers from The Royal Ballet to make a special guest appearance. During May/June we will have a presence in Bromley High Street and EYB will be giving some mini performances in schools/libraries in the borough as part of the project to promote the enjoyment of classical ballet.

English Youth Ballet promises a wonderful evening of ballet and music at the Churchill Theatre Bromley.

"A truly spell-binding show, audience members were left enthralled by the highest levels of skill and creativity"

A PHENOMENAL SUCCESS

Now entering its twenty-fourth year, English Youth Ballet has gained in popularity and has an established formidable reputation for classic and dramatic productions of the famous full length classical ballets. With professional dancers, formerly from The Royal Ballet, English National Ballet taking the leading roles, the company gives young dancers throughout the UK a wonderful performance opportunity to dance alongside the principals in solo and corps de ballet roles.
